After you join...

1. Give our volunteers about a week to process this. When we do, you will receive a confirmation email. (If you do not use email, we still value your membership and will notify you by telephone, but you can skip to Naturist Guidelines below.)
2. Go to man.shuttlepod.org to create your own password. Log in using the same email address you used on this form.
3. Update your profile. Look for the "View Profile" link at the top right corner under your name. Then, under "My profile," click "Edit profile" and then click "Privacy." For each piece of information, decide if nobody, just members, or the whole world can see it. Then scroll down and click SAVE.
4. Register for a party. After you register, you will receive an email confirmation with the location. (Most locations prefer that we do not make this public.)

Naturist Guidelines

Males Au Naturel is dedicated to promoting social nudism. Overt sexual play is not condoned at our events, most of which are held in rented spaces. Members who engage in sexual activity at an official M.A.N. event may be sanctioned, up to and including having their membership revoked. (Sexual activity is understood as any action or behavior that, if continued, would result in ejaculation.)

Privacy Policy and Photographs

Males Au Naturel respects the privacy of its members and those inquiring about membership. We do not sell, distribute or otherwise make our lists available to other persons or organizations without prior consent from the members in question.

If you have special privacy needs, please notify any Steering Committee member.
